

25 November 1966

MEMORANDUM FOR THE RECORD

Morning Meeting of 25 November 1966

25X1 [] of ORR gave a briefing on computer technology in the USSR. The Director agreed with the DDCI's suggestion that this briefing be repeated for the USIB principals when the agenda would permit.

DD/I discussed the appearance of North Korean pilots in air operations over North Vietnam. [] pointed out that the smallest unit 25X1 in the North Korean Air Force is of regimental size, which might account for the surprising number of North Korean pilots.

DD/I said that he had been in touch with [] regarding the 25X1 assessments of three aspects of the war in Vietnam which had been requested by the Secretary of Defense. He intends to check outlines of these studies with Secretary Vance's office.

DD/I called attention to the satellite reconnaissance schedule for December.

Godfrey briefed on the Jordanian situation. (See Action 1)

Carver noted that the new procedures for reporting on pacification progress are now being instituted in several areas.

25X1 [] (for Warner) reported that Colby had briefed Senator 25X1 Symington and had left background studies with him. The Director said [] on Senator Symington's itinerary.

A-DD/S&T noted that a TACKLE mission is scheduled for tonight.

DD/P briefed on his conversation with General Carroll. In this connection, the DD/I reminded that he is leaving for [] Sunday night 25X1

25X1 DD/P called attention to a cable from [] on the 25X1 [] case. The Director asked the DD/P to send him the details of the [] case.
